LIV HOSPITAL AT THE QATAR HEALTHCARE EXHIBITION

We are proud to participate in the Qatar Healthcare Exhibition, the first international event of its kind in Qatar. Bringing together leading companies and professionals in the healthcare and medical equipment sectors, this exhibition provides an exceptional platform to showcase the latest innovations and exchange expertise.

LIV HOSPITAL INTERNATIONAL TEAM SUCCESSFULLY COMPLETES THE YEAR-END WORKSHOP

The International Guest Services team at Liv Hospital has successfully completed the first session of our year-end workshop. During this session, we evaluated the achievements of the past year, identified strategies to further enhance our service quality and reviewed our goals as a team. We have completed this workshop to provide you with even better service in 2025.

INTERNATIONAL LASER PROSTATE TRAINING AT LIV HOSPITAL

As the only official training center for Quanta laser technologies in Turkey, Liv Hospital hosted "Laser Prostate Enucleation Training" for 4 urology specialists from Algeria and Libya. Led by **Assoc. Prof. Engin Kaya, MD, Assoc. Prof. Murat Zor, MD** and **Assoc. Prof. Sercan Yilmaz, MD** the program included theoretical sessions and 6 live surgeries. The training also featured the introduction of **Quanta Magneto** and **Thulium Fiber Laser Technologies**.

Best Oncology Hospital

STEM CELL THERAPIES IN AUTISM EVENT IN ROMANIA

On December 12, 2024, we organized the “**Stem Cell Therapies in Autism**” event in Bucharest, Romania, in collaboration with Blue Life Autism. The event brought together ministry officials, local administrators, psychologists, and families of children with autism. **Prof. Erdal Karaöz, MD**, from Liv Hospital’s Stem Cell Department delivered a presentation, followed by a Q&A session. The event was also featured in the Romanian press.

**PLASTIC, RECONSTRUCTIVE
AND AESTHETIC SURGERY
OBSERVERSHIP
AT LIV HOSPITAL**

From December 2nd to 27th, Liv Vadi Hospital hosted **Dr. Ziyoviddin Isomiddinov** from Uzbekistan for an observership program led by **Prof. Halil İbrahim Canter, MD** and **Op. Dr. Majid Ismayilzada, MD**. The program provided hands-on exposure to advanced surgical techniques and patient care in aesthetic and reconstructive surgery.

INNOVATIVE APPROACHES TO WOMEN'S HEALTH AT LIV HOSPITAL

On December 14, 2024, Liv Ulus Hospital hosted a key event on Pelvic Congestion Syndrome (PCS). Organized in collaboration with the Medtronic team, **Şerif Köksal, MD** and Liv Hospital Group, the program featured presentations by **Assoc. Prof. Ali Baran Budak, MD**, **Prof. K. Doğa Seçkin, MD** and **Prof. Adem Uçar, MD**, moderated by **Op. Adil Tanık, MD** who also serves as the Medical Director of our hospital. The event provided valuable insights into the diagnosis and treatment of PCS, aiming to enhance clinical practices and patient care.

UZBEK DOCTORS COMPLETE SPECIALIZED TRAINING AT LIV HOSPITAL

From December 16th to 21st, Liv Ulus Hospital had the privilege of hosting **Dr. Basharova Aliya** and **Dr. Radjapova Dilbar** from Uzbekistan for a specialized training program.

Under the guidance of **Prof. K. Doğa Seçkin, MD** the intensive program focused on laparoscopic interventions, offering the doctors an opportunity to enhance their knowledge and skills. This valuable experience aims to contribute to advancing women's health and medical practices in their home country.
