CARDIOVASCULAR TRAINING AT LIV HOSPITAL

The “Endovascular Update” and “Arterial and Venous Interventional Techniques” courses offered a valuable opportunity for knowledge sharing and professional growth in cardiovascular treatment. Liv Hospital physicians, Prof. Cem Aritürk, MD, and Assoc. Prof. Ali Baran Budak, MD, shared their expertise, focusing on advancements in arterial and venous interventions and the latest endovascular treatment techniques. These courses emphasized the importance of continuous learning and innovation in cardiovascular care.

ADVANCING INNOVATION IN CANCER TREATMENTS

A business development meeting with Boston Scientific focused on TARE (Transarterial Radioembolization) treatment, an advanced approach in cancer care. The session included visual demonstrations, highlighting the practical benefits of TARE in improving patient outcomes and operational efficiency. This meeting further strengthened the partnership between Liv Hospital Group and Boston Scientific.

LIV HOSPITAL AT THE 7TH INTERNATIONAL MEDICAL SCIENCES CONGRESS IN TIRANA!

Liv Hospital participated in the 7th International Medical Sciences Congress held in Tirana, the capital of Albania, with our Thoracic Surgery Specialist, Prof. Çağatay Tezel, MD who shared the latest advancements in the medical field through his presentations during the congress.

ACS24 SYMPOSIUM: ADVANCING INTERVENTIONAL CARDIOLOGY

The ACS24 Symposium brought together 1,600 online participants to explore innovations in interventional cardiology.

Liv Hospital physicians **Prof. Alp Çatakoğlu, MD**, and **Prof. Enis Oğuz, MD**, participated as speakers, contributing their expertise to this impactful event.

Key highlights of the event included:

Expert Panels: Discussions on Drug-Coated Balloons (DCBs), cutting-edge technologies, and innovative treatment approaches.

Live Case Demonstrations

A complex bifurcation intervention

A left main coronary procedure

The first-ever live demonstration of a persistent atrial fibrillation ablation

REVOLUTIONIZING GLOBAL HEALTHCARE PARTNERSHIPS: LIV HOSPITAL GROUP AT ITIC GLOBAL CONFERENCE

Liv Hospital Group proudly took part in the ITIC Global Conference. Driven by our commitment to being the partner of choice in healthcare, we had dynamic discussions and explored groundbreaking collaborations with global insurers and leading medical providers.
